## Local B&Bs recognized as Guest Favorites for 2012

1884 Bridgeford House

B&B much? If not, you should -- Eureka's **1880 Cliff Cottage Inn** and **1884 Bridgeford House B & B** were both awarded Guest Favorites for 2012 awards by BnBfinder ([www.BnBfinder.com](http://www.BnBfinder.com)), one of the world's most comprehensive B&B directories.

"It's a wonderful achievement for these two inns to be awarded this prestigious distinction because it's based on their guests' reviews," said Mary White, founder and CEO of BnBfinder and author of the book *Running a Bed & Breakfast For Dummies*. "They have gone above and beyond to provide top-notch service and a memorable experience, and have been honored for their dedication and hard work."

User-generated reviews have surpassed rating systems, traditional travel guides and inspections as an important source for researching potential accommodations. Guests consistently leave reviews while visiting websites like BnBfinder or on the go using their smartphones to access sites such as BnBfinder-Mobile. Before booking a getaway, many travelers read these reviews, making guest comments one of the most valued decision-making tools for potential travelers.

"We are very honored to have been recognized for what we hope is great service to our guests," said Jeff Feldman, who owns and runs the 1884 Bridgeford House with his wife, Sam. "And we are, of course, very happy those guests provided such positive feedback for their experiences here in Eureka and at Bridgeford House."
